MEMORANDUM FOR: D/DCI/NIO

SUBJECT : Memo from NIO/Economics to me,
dated 6 June 74, subject: Morning
Session of PFIAB, 6 June

I have noted in the minutes of the PFIAB Meeting of June 7 the memorandum sent to me from NIO/Economics and possible follow-up actions contained therein in paragraphs 5 and 10. I am not certain whether the DCI has specifically focused your attention to these subjects or intends to. I suggest you raise them with him as necessary. Please let me know what dispositions he decides so that I may keep these follow-up matters with PFIAB in some reasonable order.
